The village of Medjugorje, Bosnia and Herzegovina is the holy site where Our Lady began appearing to six young teenagers on June 25, 1981. The Blessed Mother first appeared on Mount Podbrdo, now known as Apparition Hill, located in the village of Bijakovići. She brought messages of peace for the world through conversion of heart. Known as the "confessional of the world" and described as "Heaven on Earth", Medjugorje has called millions of pilgrims from all over the world to spiritual conversion; they have returned home forever changed. Medjugorje was the inspiration for the foundation of 206 Tours, and we have been sending Pilgrims there since 1985. In 2018, The Holy See officially announced that Dioceses and Parishes throughout the world are now authorized to organize Pilgrimages to Medjugorje. To date, over 40 million people have visited this pilgrimage site.
